

Sponsor Checklist

This checklist is provided as a general guide to assist with planning and coordination for Resonate Kids Camp. Every group has their own systems and needs, of course, and this list is generalized in hopes that it will jog your memory should any necessary tasking slip your mind. Now with that disclaimer behind us, here is the list of steps to consider:

Transportation

For groups planning to arrive by charter bus, we recommend that you consider bringing at least one personal vehicle so that you can get around in Buda and Austin if need be. It is important to remember that sponsors are responsible for the journey to and from Schlitterbahn on Thursday, so plan accordingly.

Head lice checks

Have parents check their campers for head lice two weeks before departure and again on the day before departure. We recommend having a professional head check from a certified specialist, as is described the Head Lice Policy document that is also provided in this information packet. We also recommend a mass head lice check of your entire group on the day of departure to make sure that no one in your group is infested. It will give you more time to make arrangements should you come across an infected camper.

Prescription Medication & Medical Intake Forms

Place prescription medications in a Ziploc bag and label it with the camper's name, group, and dosage. Prescription medications must be in the original bottle with only the amount needed for the camper's stay at camp. All inhalers, nasal sprays, and EpiPens must be in the prescription box and labeled. Expired medications will not be accepted. Also, campers may not bring over-the-counter medications. Medical staff will dispense all OTC medication as needed. If an exception should be made for a camper taking antihistamines or similar medications then provide a signed and dated doctor's note and the nurse will consider it.

Sponsors should not dispense medications while at Resonate Camp. All medications will be managed by the camp nurse.

Submit final payments or prepare to pay at check-in

If paying of the entire balance with one check then please provide an itemized list of how the payments should be allocated. This greatly facilitates the check-in process. Also, if submitting cash for camper spending money, separate and label it beforehand in Ziploc bags.
